

VODKA,
COFFEE LIQUEUR

ESPRESSO MARTINI

READY TO DRINK

LE BARTELEUR'S TWIST:
DARK CHOCOLATE

1983: A riff on the Vodka Martini, the Espresso Martini was first shaken in London's Soho Brasserie. Its creator Dick Bradsell is said to have been inspired by the coffee machine next to him and perhaps even by a supermodel wanting a cocktail that would wake her up. A win-win outcome!
